Dear Mr. Payne:

I found only a very large sheet listing the winners of the award program for 1942. I have made a copy of the part of this sheet listing Mr. Pavleck as a 1st Award Winner in the Classification Awards B, Aircraft.

The papers from this award program were sent many years ago to the Welding Library at Ohio State University in Columbus, Ohio. This particular paper was in Volume 4, Paper No. 2 of the 1947 Industrial Progress Award Program. I don't know if the Welding Library at Ohio State would be able to locate this for you or not.

We have nothing further in our files on this.

Very truly yours,

*Betty Misley*
